P.W.D.(C)

Sub:-Schedule of Rates - Supply of copies to the Govt. of of India Deptts. - Procedure.

Ref:-From the C.E., P.W.D.(Gl & B) letter No.22-G/49-87 dated 2-3-53.

-:-

The file relates to the procedure in regard to the supply of copies of Schedule of rates of this Govt. to the Govt of India Departments.

2. On account of the piecemeal requisitions received from the various departments and office of the Govt. of India, much difficulty was experienced by the officer of the Madras P.W.D. in reserving sufficient number of copies of the Schedule of Rates. The C.E. therefore suggested that information regarding the total number of copies that are required by the Govt. of India Deptts. might be obtained from the Govt. of India and copies might be supplied in bulk to the S.E. Central P.W.D. at Madras who would arrange to forward them to the various requisitioning officer under the Govt. of India. The S.E. Cent P.W.D. was suggested for this purpose as he is the head of the concerned technical Deptt. of the Govt. of India and in such capacity it might be possible for him to advise his sister departments with any further instructions that might be necessar The requirements were accordingly called for and it was estimate that 103 copies will be required in all, and the C.E. was asked to supply these 103 copies to the S.E., C.P.W.D. with a bill of cost for distribution to the various departments that have indented - Vide O.M.No.90-C/50-5 dated 21-9-50 and the Govt. of India in the Ministry of Works Mines and Power were also informed of the position. But the Govt. of India in their letter cited dated 6-2-52 informed this Govt. that the head quarters of the S.E. Madras Central Circle C.P.W.D. have been shifted from Madras to Nagpur and as such it would not be possible for him to undertake the work of distribution and that the work may be entrusted to the S.Es. of the Madras P.W.D. with reference to this, it was suggested to the Govt. of India

that the distribution work might be undertaken by the Executive Engineer Madras Centre and their concurrence was asked for - Vide this department letter No.10137 C/52-2 dated 20-5-52. No reply was received from the Govt. of India to this reference. In December 1952, the C.E. addressed the S.E., C.P.W.D. at Nagpur, requesting him to issue necessary instructions to the Executive Engineer, Madras Central ~~I~~ Division in the matter. | X

3. The S.E. C.P.W.D. has since intimated to the C.E. that the Executive Engineer, Madras Central Division has also expressed his difficulties in undertaking the work referred to ~~xxx~~ and he has suggested that required number copies may be kept at the disposal of the S.G.P., Madras who would comply with the indents of the Central Govt. offices and Ministry. The C.E. has now forwarded a copy of the S.Es. letter containing the report mentioned above and has stated, that the suggestion of the S.E. C.P.W.D. at 'B' above is not feasible as already reported by him that in view of the difficulty expressed by the S.E. C.P.W.D., the proposal at 'X' above may be dropped, and that the S.Es. may be requested to reserve 103 copies of Schedules of Rates required for supply to the departments that have indented and also to keep 25 additional copies of each schedule for meeting individual requisitions. | A | B | C

In the circumstances reported it is for consideration whether the proposal of the C.E. at 'C' above may be agreed to. If so the drafte memo below may be approved. Finance may see.
